

# Tooley Water District Board Meeting Agenda

Version 1.1 (updated 9/17/18)

Meeting Date: Thursday, September 20, 2018 7:00pm

Location: Northern Wasco County Public Utility District Board Room

**Type of meeting**  
Board Meeting

**Chairperson**  
Carol Mauser

**Minute keeper**  
Debby Jones

## Topics

Item 1 - Approval of Agenda.....	2
Item 2 – Approval of Minutes.....	2
Item 3 - Financial Reports – John Amery.....	4
Copy of current account totals from Washington Federal Website.....	4
Recent Savings Transactions.....	4
Recent Checking Transactions.....	5
Profit and Loss Budget vs. Actual.....	6
Balance Sheet Previous Year Comparison.....	7
Maintenance and Repairs - Details.....	8
Item 4 – Discussion – Water Report.....	8
Item 5 – Action – Grant Award.....	10
Summary of Business Oregon SIPP Grant.....	10
Motion.....	10
Exhibits C and D of contract.....	10
Order Number 2018-09-20-001.....	11
Item 6 – Discussion – Authority to Hiland for maintenance work.....	13
Item 7 – Discussion – Filing Liens for unpaid/shutoff water services.....	13
Item 8 – Review – Board Member Reimbursements.....	14
Item 9 – Discussion – Next Meeting .....	14

## Item 1 - Approval of Agenda

## Item 2 – Approval of Minutes

Tooley Water District – August 16, 2018  
Board Meeting

Present:

Richard Pontow, John Amery. Dave Pratt and Debby Jones participated by phone.

In the absence of Board Chairperson Carol Mauser, John was requested to run the meeting. John opened the meeting at 7:07 pm

Richard asked to add an item to the agenda regarding upkeep surrounding the pump houses (weeds). Debby made a motion to approve the amended agenda, Dave seconded. Motion passed unanimously.

John read the July meeting minutes out loud since he and Richard were the only ones physically in the meeting location. Debby made a motion to approve the July minutes, Richard approved. Motion passed unanimously.

John shared the financial reports. This information included the following:

Savings: \$38,579

Checking: \$7,709

John indicated that he had made a \$6,465 transfer from the checking to the savings account. John also shared that Hiland received the June check and that it was ripped in half and asked John to reissue a new check. Hiland's payment was larger this month due to additional work that was done. This issue was to be discussed in further detail in a later agenda item. John also updated the board on current financials and checks authorized.

John shared the maintenance and repairs detail. There were several repairs that were anticipated to be on the previous fiscal year but were completed and charged out in early July. Richard shared that there is still a hole/pipe that is uncovered that is located on the property near the mail boxes. John has been in touch with Hiland regarding the issue. Hiland has repaired two meters and one leak. As of July 31, the district has expended \$839.48 of the \$5,000 allotted maintenance/repair budget.

Board members discussed the maintenance of the district property. Debby shared that she had heard that the fire marshal had advised no mowing or weed eating of dry grass areas. Debby said she would weed-eat the pump house for the upper reservoir and will check in with Carl Carson on how the lower well was handled. Debby will handle the lower well. John will keep up the lower pump house that is near his property. The board will deal with this issue on an annual basis.

John updated the board on the water report. Hiland shared that there had been a prior miscalculation which indicated an incorrect water loss reading. July's water loss had shot up to over 36.75%. John has been speaking with Hiland about the issue. Debby asked if we could do a comparison from years past. John provided a new water report that shows amount of water used in one page as opposed to identifying individual customers. Board members may request the old report, but it would no longer be a part of the monthly board packet that was available for download on the district's website. John shared

that he wanted to be sure and protect user's privacy.

John shared that the Tooley Water District had received the grant that had been applied for last year. The grant is from the Safe Drinking Water Revolving Loan Fund and will be used for the Tooley Water District Asset Planning and Leak Detection Study. The grant is for a total of \$20,000. John will investigate all the fine details of the grant before signing and accepting the funds. Debby asked if there were any specific time line associated. John shared that he believed that we had a year to complete the project.

Item 6 on the agenda addressed the authority to Hiland for maintenance work. John identified several questions to consider.

- How should Hiland handle system maintenance on a routine basis?
- How should Hiland handle system maintenance on an emergency basis?
- Does a board member (or two) need to authorize all system maintenance?
- What happens if Hiland can not reach a board member?
- What does Hiland's maintenance schedule look like?
- Liabilities from system failures

Board will continue to have this issue as an agenda item until it is resolved.

John updated members on the leaks and repairs that had been made which correlated with the before mentioned increase in the maintenance/repair expenditures. These included the Nelson property leak. Pontow and Childs meter replacement and the repair of a broken gate valve.

John updated the board regarding the Consumer Confidence Report for 2017. There were no violations and the report is available for download/viewing on the water district's website.

The next board meeting will be held on Thursday, September 20.

Meeting adjourned at 7:54 pm

## Item 3 - Financial Reports – John Amery

## Item 5 – Action – Grant Award

### Summary of Business Oregon SIPP Grant

- Defined as a “Forgivable Loan” not to exceed \$20k
- If project is completed as described as per contract, at the end it becomes a grant.
- Contractor sends invoices to Tooley. Tooley pays the contractor and then submits to Business Oregon for reimbursement. Tooley should receive reimbursement within 30 days.
- If there are cost overruns Tooley is responsible for completing the project.
- In the event Tooley does not complete the project, Tooley may be liable for repayment of the “forgivable loan”.

### Motion

To accept Order number 2018-09-20-001 and to also authorize Chairperson Carol Mauser to sign on behalf of Tooley Water District the “SAFE DRINKING WATER REVOLVING LOAN FUND FINANCING CONTRACT” as associated with project number “R19002” with the State of Oregon.

### Exhibits C and D of contract

#### EXHIBIT C - PROJECT DESCRIPTION

Recipient will hire a consultant to conduct a leak study and asset plan of its water system. This will address the immediate issue of ongoing system leaks and help determine a path forward to address those issues. Secondly, the plan must identify and explain the current system components/assets and maintenance, and describe options for how to finance future system repair and redevelopment.

#### EXHIBIT D - PROJECT BUDGET

	OBDD Funds	Other / Matching Funds
Activity	Approved Budget	Approved Budget
Asset Mapping	\$12,500	\$0
Leak Detection	\$7,500	0
Total	\$20,000	\$0

## Order Number 2018-09-20-001

[ORDER NUMBER 2018-09-20-001]

**[ORDER] OF THE TOOLEY WATER DISTRICT  
AUTHORIZING A FORGIVABLE LOAN FROM THE SAFE DRINKING WATER REVOLVING LOAN FUND  
BY ENTERING INTO A FINANCING CONTRACT  
WITH THE OREGON INFRASTRUCTURE FINANCE AUTHORITY**

The Board of the Tooley Water District (the "Recipient") finds:

A. The Recipient is a community water system as defined in Oregon Administrative Rule 123-049-0010.

B. The Safe Drinking Water Act Amendments of 1996, Pub.L. 104-182, as amended (the "Act"), authorize any community or nonprofit non-community water system to file an application with the Oregon Infrastructure Finance Authority of the Business Development Department ("OBDD") to obtain financial assistance from the Safe Drinking Water Revolving Loan Fund.

C. The Recipient has filed an application with the OBDD to obtain financial assistance for a "safe drinking water project" within the meaning of the Act, and the OBDD has approved the Recipient's application for financial assistance from the Safe Drinking Water Revolving Loan Fund.

D. The Recipient is required, as a prerequisite to the receipt of financial assistance from the OBDD, to enter into a Financing Contract with the OBDD, substantially in the form attached hereto as Exhibit A.

E. Notice relating to the Recipient's consideration of the adoption of this [Ordinance/Resolution/Order] was published in full accordance with the Recipient's charter and laws for public notification.

NOW THEREFORE, BE IT RESOLVED by the Governing Body of the Recipient as follows:

1. Financing Loan Authorized. The Governing Body authorizes the Chairperson to execute the Financing Contract (the "Financing Documents") and such other documents as may be required to obtain financial assistance including a loan from the OBDD on the condition that the principal amount of the loan from the OBDD to the Recipient is not more than \$20,000 and the interest rate is not more than 1%, which is eligible for complete principal forgiveness if contract conditions are met. The proceeds of the loan from the OBDD shall be applied solely to the "Costs of the Project" as such term is defined in the Financing Contract.

2. Security. Amounts payable by the Recipient shall be payable from the sources described in Section 4 of the Financing Contract and the Oregon Revised Statutes Section 285A.213(5) which include:

- (a) Amounts withheld under subsection 285A.213(6);
- (b) The general fund of the Recipient;
- (c) Any other source.

3. Additional Documents. The Chairperson is hereby authorized to enter into any agreements and to execute any documents or certificates which may be required to obtain financial assistance from the OBDD for the Project pursuant to the Financing Documents.

4. Effective Date. This [Order] shall be in force and effect from and after passage by the Governing Body.

DATED this 20th day of September, 2018.

[Tooley Water District]

## Item 6 – Discussion – Authority to Hiland for maintenance work

The board might want to consider whether current authority levels allow for proper response to system maintenance.

Questions to consider:

- How should Hiland handle system maintenance on a routine basis?
- How should Hiland handle system maintenance on an emergency basis?
- Does a board member (or two) need to authorize all system maintenance?
- What happens if Hiland can not reach a board member?
- What does Hiland's maintenance schedule look like?
- Liabilities from system failures

## Item 7 – Discussion – Filing Liens for unpaid/shutoff water services

Discussion whether it makes sense to file a lien against properties of unpaid water bills.

- Costs of filing a lien
  - Wasco County Clerk's Office
    - \$76 for first page
    - \$5 for each subsequent page
  - Attorney to develop lien papers?

If we don't file a lien and the property is sold, Tooley does not have authority to force the new purchaser of the property to pay back fees.

Even if we file a lien, there are situations where we may not get paid (for example, if back taxes are greater than the value of the property)

Currently Hiland initiates the shut off process about 60 days after non-payment. It takes about a month to shut off a service and we are 1 month behind with billing versus usage. Thus Tooley's current liability is approximately 4 months of water services along with the shutoff fees and late fees due to Hiland.

## Item 8 – Review – Board Member Reimbursements

- John Amery – \$5.60 – Staples – July Board Meeting Agenda copies
- John Amery - \$4.48 – Staples – August Board Meeting Agenda copies
