Item 12 – Discussion – Quality Control.....	9
Item 13 – Discussion – Winter maintenance.....	10
Item 14 – Discussion – Next Meeting.....	10

Item 1 - Approval of Agenda

Item 2 – Approval of Minutes

Tooley Water District
October 21, 2021, Board Meeting
Meeting held via Cisco Webex

Present: John Amery, Carol Mauser, Larry Russ, Amanda Valentine and Debby Jones

Carol opened the meeting at 7:10 pm

Carol asked for approval of the agenda. John asked to add two additional items, swearing in of new Board Member Amanda Valentine and information on a potential small grant. Larry made a motion to approve the agenda as presented with the two items. John seconded. All approved.

Carol swore Amanda Valentine in as the new board member replacing Dave Pratt's position.

Carol asked for approval of the September minutes. John made a motion to approve the September minutes. Larry seconded. All approved.

John provided the current financial report:

Checking	\$10,510.61
Savings	\$39,195.90

John updated board members on the financials and expressed satisfaction with the revenue and expenses. John also shared with the board members that he would be making sure that insurance coverage for this next year would be sufficient with the addition of the new \$20,000 grant.

Water Loss report: Reported a 13.34%. Hiland has a list of meters it wants to check but we have not received any updates from Hiland. Board members discussed the water usage of specific accounts. Board members pay special attention to this report due to the age of our overall system as well as aging meters water. This report often serves as a potential red flag of potential leaks in the system.

John updated board members on the nitrate level issue. He provide updated information to North Central Public Health District. This information included short- and long-term solutions, which is a part of the new grant. The last nitrate test result that John received from Hiland was null. John stressed the importance of Hiland to continue testing every two-weeks.

There were no updates regarding emergency preparedness.

No issues with delinquent accounts. Debby mentioned an issue with her statement from Hiland which initially indicated that her account was past due but now indicates that there is a credit. Amanda asked what the procedures were for delinquent accounts. John and Larry shared with Amanda the process.

John updated the board on the SIPP grant. He had sent all board members a copy of the RFP. John shared the request from Business Oregon for additional specific contract language which John added, and Business Oregon approved. Larry shared concern on the language in the RFP that neglected to indicate the corrective actions that the district took to address the high nitrate levels. John felt that given the specific audience that will be applying to the RFP the language was acceptable.

John reminded board members of the potential grants that the district may be able to apply for from a previous list. John mentioned a small grant that covered security issues. The grant requires a 25% match. Board members did not believe it was worth the time and effort at this time.

There were no updates regarding policies.

John reached out to Hiland regarding the quality control issues that were discussed last month. The individual that John reached out to has not had the opportunity to get back with John.

John updated the board with the OAWU membership.

The next board meeting is scheduled for Thursday, November 18. Carol closed the meeting at 8:38 pm.

Item 3 - Financial Reports – John Amery

Item 5 – Discussion – System Updates – Larry Russ

Item 6 – Discussion – Emergency Preparedness

Item 7 – Discussion – Delinquent Accounts

Item 8 – Discussion / Action – Engineering RFP – John Amery

RFP is due 11/24.

All board members were sent a copy of the RFP as well as a preliminary spreadsheet with RFP evaluating criteria.

The board will finalize the criteria and weighting parameters for RFP evaluation.

Item 9 – Discussion – MCEDD Infrastructure planning Workshop – John Amery

Mr. Amery attended the Infrastructure planning workshop in Maupin put on by MCEDD.

Item 10 – Discussion – Wasco County Economic Development Committee – John Amery

Mr. Amery attended the Wasco County Economic Development Committee on behalf of Tooley Water District. Tooley Water District's Nitrate issue made the list of priority infrastructure projects for Wasco County.

Item 11 – Discussion/Action – Tooley Policies

The board was tasked with evaluating options for developing / updating Tooley Water District policies

Item 12 – Discussion – Quality Control

Discussion of quality controls with Tooley Water District's contract maintenance provider.

Item 13 – Discussion – Winter maintenance

Both Mr. Amery and Mr. Russ will be unavailable for some time during the month of December. Discussion regarding how to handle any new system challenges that might occur during this time.

Item 14 – Discussion – Next Meeting

Next board meeting will take place the third Thursday on December 16, 2021

Location: Virtual Meeting ONLY – contact johnamery@tooleywater.org or 541-340-0032 for access.
